Thank you submitting entries for the OPC Annual Awards for work published during the period from January 1, 2021 to December 31, 2021.

Use ditto (") marks in the table to indicate a Submittable account name or other information is repeated from the line above it. If several divisions from one organization are submitting, please try to coordinate and list all entries on this form. Please include the username (email address) for the Submittable account used for each entry. The submission fee is $200 per entry.
